About Guru Jambheshwar Ji Maharaj

Guru Jambheshwar Ji Maharaj was a saint and great environmentalist of the 15th century. Amongst all the saints of the 15th century, Guru Jambheshwar Ji was unique in preaching about the conservation of biodiversity to his followers. He also included the same in his 29 commandments. Thus, Guru Jambheshwar Ji was not only a religious 'GURU' but a great ecologist and environmentalist, many centuries ahead of the scientists.

He was born in 1451 A.D. (Samvat 1508) on the 8th day of dark half of the Lunar month Bhadrapad on Janamashtami, in a village Pipasar situated in the revenue jurisdiction of Nagaur district of Rajasthan, India. He adopted the life of an ascetic teacher in 1484 AD and started living on the Samrathal, sand 999Dhora hill of Mukam village situated in Nokha tehsil of Bikaner district of Rajasthan. He enshrined in his followers' compassion towards nature and protection of life as the supreme religious goal.

He founded the Bishnoi sect in 1485 AD on eighth day of the black fortnight of the month of Kartika of the year 1542 of the Vikrami Era at Samrathal Dhora and prescribed 29 commandments dealing with various aspects of life. He spent the remaining 51 years of his life in spreading his great vision. He expounded his religious philosophy and the essence of these principles in the form of verses. These spiritual verses have a vigour of their own, vibrant, passionate and sincere. These are distinguished by their vivid and conversational style and moral exhortation. Guru Ji achieved 'Nirvana' in 1536 in village Lalasar District Bikaner, Rajasthan.

Among the 29 commandments laid down by Guru Jambheshwar Ji, eight commandments have been prescribed to preserve biodiversity and encourage good animal husbandry. Seven commandments provide directions for healthy social behavior. Ten Commandments are directed towards personal hygiene and maintaining good basic health. Four commandments provide guidelines for worshipping God daily and always remember that God is omnipresent. Guru Jambheshwar Ji had occupied a unique place in the Bhakti movement. Though his area of activity had been mainly the desert land of Thar, yet he had been touring other places too. During these extensive tours he has been spreading the message;

“Jeeya Nai Jugati or Mhan (Moova) Nai Mugati”.
(To live is a device and to die is salvation) within and outside the country

PREFACE

Dear Candidates,

Welcome to the e-prospectus of Guru Jambheshwar University of Science & Technology, Hisar, a premier educational institute of Haryana, for Postgraduate (PG) programmes for the academic year 2023-24. In a time when environment protection is a biggest of a concern, it pleases me that my University is taking another small step by way of bringing e-Prospectus. This e-prospectus is a small step towards safeguarding our environment as the University is named after great environmentalist, Guru Jambheshwar Ji Maharaj. Guru Jambheshwar University of Science & Technology started its journey under the Act of State Legislature on 20th October, 1995 at Hisar, Haryana. The University aims for excellence in teaching and research in education with focus on new frontiers of Science & Technology, Engineering Studies, Environmental Studies and new emerging area of Media Studies, Pharmaceutical Sciences, Management Studies, Yoga Science, Physiotherapy, Humanities and Social Sciences. Since, then the University has achieved several milestones in its small journey. The University is duly recognized by the University Grants Commission (UGC) under Section 2(f) for recognition of degrees on 11.1.1996 and under Section 12(B) of the UGC Act for central assistance on 7.2.1997. Today, the University spreads over 372 acres of lush green land with 10 mammoth Teaching Blocks, more than 22 Teaching Departments classified under 10 Faculties which houses more than 70 regular programmes on the campus and 9 programmes through Distance mode, 2 online courses along with Ph.D. degree programmes in most of the departments. The distance education programmes stand approved by Distance Education Bureau, UGC, New Delhi.

University is proud of its gigantic and rich infrastructure. It has prestigious state-of-the-art Ch. Ranbir Singh Auditorium which is regarded as a technical jewel in this region of the country where Seminars, Workshops, Cultural programmes, etc. are organized at both national and international levels. It has a spacious Library with around 2 Lakh Books, Research Journals, Periodicals, Magazines, Newspapers etc. in addition to its big reading rooms. University has sufficient hostel facilities for boys, girls and working women. A huge sports Complex and two Multipurpose halls for indoor games are very popular with students. It has well equipped Pandit Deendayal Upadhyaya Computer and Informatics Centre and campus wide networking cell which provides Internet and Wi-Fi facility to the entire campus. Dr. A.P.J. Abdul Kalam Central Instrumentation Laboratory is a well acclaimed Centre which not only provides facilities to researchers of the University but also caters to the research needs of other Institutions of the region. Students are progressively benefitting from its Training and Placement Cell. University has well sought-after Pandit Deendayal Upadhyaya Innovation and Incubation Centre to foster innovative ideas of its students and other innovators. University Health Centre provides health facilities to all its students and employees. The University has recently established centre for counselling and well-being for the holistic well-being of students and employees. In addition, students of this University enjoy numerous facilities which include Open-Air Theatre, Cafeteria, Post Office, Bank, Shopping Complex, etc.

The National Assessment and Accreditation Council (NAAC), has recently accredited this University at 'A+' Grade. In addition to this, the University has been ranked in band 101-150 among the Universities/Institutes in India as per National Institutional Ranking Framework (NIRF) in 2023. The University has secured 49th rank in Pharmacy category and ranked 100th in Management category under NIRF-2023. The University has also been ranked in band 1001-1200 in the Times Higher Education World University 2023. The University has been granted graded Autonomy and UGC has placed it in Category-II University. This University has also been admitted for the 3rd time for Global Initiative of Academic Network (GIAN) Phase-III Scheme, a prestigious scheme of MHRD (MoE). The University has been ranked 607th World's Most Sustainable University in 2022 UI Green Metric World University Rankings announced by University of Indonesia, Jakarta.

The University has constantly motivated and encouraged interdisciplinary collaboration and Research. The University fraternity has done its best to yield meaningful results in the area of academics, research, administration, sports and other connected activities. More than 3750 research papers have been published by the faculty in peer reviewed journals of repute which are listed in SCOPUS with >75000 citations. The h-index of the University has also gone upto 112. This is the highest h-index of any University in the State of Haryana.

The University, with its reputation at National and International front, is committed to advance its academic horizon. The University constantly endeavors to bring together academia and industry at a common platform in the form of MOUs signed time to time for the benefit of their students and provide impetus to entrepreneurship and innovation capabilities and thus participate in Nation Building efforts. The University provides a congenial academic atmosphere to nurture not only the varied interests of its aspiring students but also mentors the academic growth of its students which goes a long way in helping students to pursue their academic excellence on frontier areas of their academic programmes and achieve great professional roles in their life.

I am of the firm belief that the University would do more for the sustainable growth and development of academic and research culture in the campus and its affiliated colleges/institutions. I am sure that the aspiring candidates who would successfully join the University shall get a great opportunity to materialize their dreams. I wish all the best to students for their successful endeavors for their bright future.

Note:

The University is implementing the National Education Policy - 2020 from the academic session 2023-24 as per directions of the State Government and various regulatory bodies i.e. UGC, etc. The Curriculum and Structure of some of new Postgraduate Programmes will be framed according to Curriculum and Credit Framework of UGC, National Higher Education Qualification Framework (NHEQF) etc. by the University as per directives of UGC/State Government.

The National Education Policy 2020 (NEP-2020) is a comprehensive and ambitious policy that aims to transform the Indian education system and makes it more student-centric, holistic and to align with the needs of the 21st century. It outlines the goals, objectives, and policies for the development and improvement of education across all levels. Some of the key features of the NEP-2020 include:

- Multidisciplinary, flexible and equitable education framework for the holistic development of learners
- Emphasis on skill-based education, vocational education and apprenticeship/internship
- Encourage critical thinking, creativity and problem-solving skills
- Increase the Gross Enrollment Ratio (GER) in higher education to 50% by 2035
- Promotion of Indian languages, art, culture and heritage
- Emphasis on Multidisciplinary, Interdisciplinary, and Transdisciplinary research to develop innovative solutions to overcome societal issues

NEP 2020 advocates that a holistic and multidisciplinary education would aim to develop all capacities of human beings -intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. Such a holistic education approach is necessarily required at under graduate level. The 4-year multidisciplinary Bachelor's programme, however, shall be the preferred option since it allows the opportunity to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per the choices of the student. The holistic four year under graduate education with multiple entry and exit provisions will help in matching of the undergraduate education to international standards and will facilitate the student mobility for higher studies, research, and employability across the globe. The NEP 2020 envisages flexibility in the design and duration of Master's degree programmes. The structure and duration of Master's programmes of study proposed by NEP 2020 include:

- (a) a 2 years Master's programme for those who have completed a 3 years Bachelor's programme
- (b) a 1 year Master's programme for students who have completed a 4 years Bachelor's programme
- (c) an integrated 5 years Bachelor's-Master's programme
- (d) a Ph.D. programme shall require a Master's degree or a 4 years Bachelor's (Honours with research) programme

The main features of Curriculum and Credit Framework include

- i. Opportunity for learners to choose the courses of their interest in all disciplines
- ii. Provision of multiple entry and exit options with a UG Certificate or UG Diploma or UG Degree depending on the number of credits earned
- iii. Flexibility for students to move among the institutions through the implementation of Academic Bank of Credits (ABC)
- iv. Flexibility to switch to alternative modes of learning (Offline, ODL, Online, and Hybrid modes)
- v. Versatile curricular framework for holistic development of graduate

The Dr. A.P.J. Abdul Kalam Central Instrumentation Laboratory (CIL) is established for the students, research scholars and teachers of the University who are actively engaged in R&D activities in the emerging areas of Science, Technology & Engineering. The CIL is presently having sophisticated instruments like-

- Nuclear Magnetic Resonance (NMR) Spectrometer (400 MHz)
- Atomic Absorption Spectrometer (AAS)
- UV-VIS-NIR Spectrophotometer
- Fourier Transform Infrared (FTIR) Spectrometer
- Differential Scanning Calorimeter (DSC)
- Microwave Plasma Atomic Emission Spectrometer (MP-AES)
- Microwave Synthesizer
- Liquid Chromatography Mass Spectrometry (LC-MS/ MS QTOF)
- Ultra-High-Performance Liquid Chromatography (UHPLC)
- High Resolution Field Emission Scanning Electron Microscope with EDS (FE-SEM)
- Raman Spectrometer
- Flash Chromatography
- Rheometer, Multipurpose Versatile XRD System (XRD) and other sophisticated instruments are under purchase process e.g.

The CIL cater to the needs of the students, research scholar and teachers of this university as well as other educational institute and industry in order to promote research activities

TRAINING & PLACEMENT

The Centralized Training & Placement Cell of the university works on Integrated fronts of enhancing employability of our budding professionals and offering maximum employment opportunities to them. HUMAN RESOURCE DEVELOPMENT CENTRE

The UGC-Human Resource Development Centre (HRDC) of the University was established during the 11th Plan (2009) in accordance with the National Policy of Education (NPE-1986) with a vision 'To Facilitate Human Development and Professional Excellence in Academics' and a mission 'To equip and enrich the participants with requisite professional and personal skills to make them grow as excellent human beings for their best possible contribution in personal, professional and societal domain.

The objectives of HRDC are to enhance the participants' motivation, skills and knowledge through systematic orientation in specific subjects, techniques and methodologies, and thereby inculcate the right kind of values that would in turn encourage them to take initiatives for innovative and creative work. The functions of HRDC in the university are to plan, organize, implement, monitor and evaluate a variety of programmes for diverse stakeholders. Faculty Induction Programmes are organized for newly appointed Universities and Colleges teachers to acquire and improve art of teaching, to understand the linkages between education and economic, socio-economic and cultural development, to utilize opportunities for development of personality, initiative and creativity, and to promote computer literacy as well use of ICT in teaching and learning process. Refresher courses are organized for corporately senior Universities and Colleges teachers to keep abreast of the latest developments in their specific subjects, and also to understand the organization and management of a college/ university and to perceive the role of teachers in the total system.

Interaction programme-cum-workshop for the Ph.D. Scholars is also organized on the theme of 'Research Methodology' to sharpen their research skills and facilitate their research work. Short-term courses ranging from 2-3 days to one week are also organized for academic staff, non-academic staff, and Ph.D. scholars on need based themes. Programmes for Heads of departments, Principals, Deans, Officers, etc. are organized with a view to acquaint and sharpen the top-level administration skills which is helpful for effective decision making and its implementation to achieve the excellence in the connected fields. While following the UGC instructions, the HRDC also organizes Summer/Winter School for universities and colleges teachers to sensitize them in key areas like 'Disaster Management', 29 Values and Spiritualism etc. In addition to UGC sponsored programmes the HRDC also organized the need based programmes on Faculty Development, Staff Development, Capacity Building, and Research

Methodology for Ph.D. scholars funded by other national and international agencies like World Bank and Indian Council for Social Science Research (ICSSR), MHRD etc.

The HRDC of University was selected among the ten HRDCs under RUSA Scheme of MHRD, Govt. of India and sanctioned a grant of Rs. 1.00 Crore. This grant will be used for Faculty Quality Improvement Programmes and for Infrastructure Development. In addition, the Department of Higher Education, MHRD, Govt. of India has notified UGC-HRDC, GJUS&T, Hisar as National Resource Centre (NRC) for conduct of Annual Refresher Programme in Teaching (ARPIT) on Pedagogical Innovations and Research Methodology. Till date three programmes ARPIT-2018, 2019 & 2020 have been successfully conducted through SWAYAM portal.

After grabbing techno pedagogical skills, an international project from the university of Nova-Gorica & UNESCO chair on Open Technologies for OERs entitled Emergency Remote Teaching: Response of Pandemic Pedagogy as A New Normal Teaching has been designed and delivered.

As a whole the HRDC endeavours to cater to training and development needs of teachers, academic administrators, researchers and non-academic staff. The prospective plans are to make this HRDC as a full-fledged “Training Centre for Academia and Administration: and to transform it into “Knowledge Disseminating and Resource Generation Centre” for the university by way of providing Training, Development and Consultancy facilities. To other attempts viz Blog, Youtube Channel and Online Radio have also been initiated to enhance skills among teachers. HRDC also conducted AICTE sponsored Professional Development Programme for Non-Academic Staff of university. The National Assessment and Accreditation Council (NAAC) has judged the HRDC of the University as First out of 66 Human Resource Development Centres in the country and put it in the front-seat.

NATIONAL CADETS' CORPS (NCC)

NCC in India was conceptualized and raised before independence, mainly with an aim to groom the youth, boys and girls both, nurture them and channelize their energy towards nation building by making them responsible citizens of the country. After independence, the present day NCC came into existence on 16 Apr 1948, through XXXI Act of Parliament. NCC is a voluntary organization which is administered through the Ministry of Defence. NCC was established in the GJUS&T during session 2018-19. There are three subunits of NCC in the university i.e.

- Army (Girls) under the control of 3 Haryana Girls Battalion NCC Hisar.
- Army (Boys) under the control of 3 Haryana Battalion NCC Hisar.
- Air Wing under the control of 1 Haryana Air Squadron NCC Hisar.

The Motto of NCC is “Unity and Discipline”. The main objective of NCC is to develop a highly motivated, patriotic, selfless, disciplined, and enterprising youth - who is capable of providing leadership in any walk of life for the betterment of the nation. NCC activities are based on certain core values to prove it a responsive, learning and continuously evolving organization. NCC training philosophy is based on the concept “Empowerment of Youth” to earn the “Right to Lead”. Training methodology consist of Institutional Training, Camp Training, Social Service and Community Development, Personality Development, Competence Assessment/Certificate Examination.

Currently NCC training is imparted as extra-curricular activity to volunteer students of university who enroll as cadets. University has implemented the scheme and syllabi of NCC as Additional/Optional course as per NEP, 2020 under CBCS from academic session 2021-22 for the students of B.Tech. 14.	Dr. Deepa Mangla	Professor	263539
15.	Dr. Ubha Savita	Professor	263111
16.	Dr. Dalbir Singh	Professor	263534
17.	Dr. Shveta	Associate Professor	263111
18.	Dr. Rajiv Kumar	Associate Professor	263659
19.	Dr. Himani Sharma	Associate Professor	263657
20.	Dr. Mani Shreshtha	Assistant Professor	263658
21.	Dr. Vanita	Assistant Professor	263660
22.	Dr. Sangeeta	Assistant Professor	263111
23.	Dr. Vandana Singh	Assistant Professor	263662
24.	Dr. Vijender Pal Saini	Assistant Professor	263661
25.	Dr. Suresh Kumar Bhaker	Assistant Professor	263111

2.6 FACULTY OF HUMANITIES AND SOCIAL SCIENCES

Dean: Prof. N.K. Bishnoi

A. Department of Economics

Sr. No.	Name	Designation	Telephone No.
1.	Dr. N.K. Bishnoi	Professor & Chairperson	263174
2.	Dr. Manoj Kumar	Assistant Professor	263174
3.	Dr. Kiran Devi	Assistant Professor	263174
4.	Dr. Lalit Sharma	Assistant Professor	263174
5.	Dr. Som Nath	Assistant Professor	263174

A. Department of Applied Psychology

Sr. No.	Name	Designation	Telephone No.
1.	Dr. Jyotsana Kamboj Shah	Professor	263537
2.	Dr. Sandeep Singh	Professor	263368
3.	Dr. Rakesh Kumar Behmani	Professor	263377
4.	Dr. Manju	Professor & Chairperson	263533
5.	Dr. Sanjay Kumar	Assistant Professor	263630
6.	Dr. Taruna	Assistant Professor	263628

B. Department of Hindi

Sr. No.	Name	Designation	Telephone No.
1.	Dr. N.K. Bishnoi	Professor & Chairperson	263159
2.	Dr. Geetu	Assistant Professor & Incharge	263159
3.	Dr. Sharmila	Assistant Professor	263159
4.	Mrs. Kalpana	Assistant Professor	263159

C. Department of English and Foreign Languages

Sr. No.	Name	Designation	Telephone No.
1.	Prof. Rakesh Kumar Behmani	Professor & Chairperson	263381
2.	Dr. Pallavi	Assistant Professor & Incharge	

D. Department of Mass Communication

Sr. No.	Name	Designation	Telephone No.
1	Dr. Manoj Dayal	Professor	263548
2.	Dr. Vikram Kaushik	Professor	263181
3.	Dr. Umesh Arya	Professor	263354
4.	Dr. N. Sushil K. Singh	Professor	263381
5.	Dr. M.R. Patra	Associate Professor & Chairperson	263310
6.	Dr. Pallavi	Assistant Professor	263148

2.7 FACULTY OF RELIGIOUS STUDIES

Dean: Prof. V.K. Bishnoi

Guru Jambheshwar Ji Maharaj Institute of Religious Studies

Sr. No.	Name	Designation	Telephone No.
1.	Prof. V.K. Bishnoi	Professor & Chairperson	263159

2.8 FACULTY OF EDUCATION

Dean : Prof. Vandana Punia

Department of Education

Sr. No.	Name	Designation	Telephone No.
1.	Prof. Vandana Punia	Professor & Chairperson	263664

2.9 FACULTY OF LAW

Dean : Prof. Sanjeev Kumar

Sr. No.	Name	Designation	Telephone No.
1.	Dr. Sanjeev Kumar	Professor	263429

Note:- The Department-wise Faculty position in this Chapter is only for the information of the candidates/ students. It has no concern with the seniority/ tentative seniority of the teachers. Further, List of Contractual Faculty department-wise is available on the University website.

DIRECTORATE OF DISTANCE EDUCATION

Sr. No.	Name	Designation	Telephone No.
1.	Dr. Kuldeep Bansal	Director	263157
2.	Sh. Vinod	Assistant Professor (Computer Science)	263606
3.	Dr. Vizender Singh	Assistant Professor (Mathematics)	263603
4.	Dr. Sunaina	Assistant Professor (Mass Communication)	263606
5.	Dr. Geetu	Assistant Professor (Hindi)	
6.	Dr. Pallavi	Assistant Professor (English)	

U.G.C. HUMAN RESOURCE DEVELOPMENT CENTRE

Sr. No.	Name	Designation	Telephone No.
1.	Dr. Neeraj Dilbaghi	Director	263573
2.	Dr. (Mrs.) Vandana Punia	Professor	263199
3.	Sh. Anurag	Assistant Professor	263164

DR. BHIM RAO AMBEDKAR LIBRARY

Sr. No.	Name	Designation	Telephone No.
1.	Dr. Vinod Kumar	University Librarian	263115, 263118
2.	Dr. Shyam Sunder Joshi	Deputy Librarian	263301
3.	Dr. Narender Kumar	Assistant Librarian	263351
4.	Sh. Som Dutt	Assistant Librarian	263308

CHAPTER-3

ABOUT THE DEPARTMENTS AND PROGRAMMES OFFERED

3.1 FACULTY OF ENGINEERING & TECHNOLOGY

1. Department of Computer Science & Engineering

Programme(s) offered:

- (a) Ph.D.
- (b) M.Tech. (Computer Science and Engineering) (2-year, Semester System)
- (c) Master of Computer Applications (MCA) (2-year, Semester System)
- (d) B.Tech. (Computer Science and Engineering) (4-year, Semester System)
- (e) B.Tech. (Information Technology) (4-year, Semester System)
- (f) B.Tech. Computer Science & Engineering (Artificial Intelligence & Machine Learning) (4-year, Semester System)

The vision of the Department is to become a centre of excellence for education in Computer Science and Engineering, Information Technology and Computer Applications. The department nurtures young minds into leaders of tomorrow in the field of higher education, research & development, and corporate world and aim to produce creators and innovators who will work towards the overall well-being of the society. The mission of the Department is to impart state-of-the-art knowledge in Computer Science and Information Technology, to foster linkages between the Department and public and private sectors, traversing research establishments as well as information technology industry and to promote ethical research of high quality. Further, the Department strives to adopt the best pedagogical methods in order to maximize knowledge transfer, to inculcate a culture of free and open discussions in the Department and to engage students in learning, understanding and applying novel ideas. The other priorities of the Department are to infuse professionalism, enthusiasm, team spirit and a zest for lifelong learning into students.

M.Tech. (Computer Science and Engineering)

The M.Tech. Programme has produced many post-graduates who are now working in the institutions of national and international repute. The objectives of the M.Tech. Programme are:

- To set high academic goals for the graduating students and to train them in applying and extending the knowledge to the benefit of the society.
- To produce Postgraduates with a sound theoretical and practical knowledge in the discipline of Computing Science and Engineering.
- To create knowledgeable and enthusiastic teaching professionals for Institutions of higher education.
- To craft technically competent, proficient and responsible professionals for I.T. sector.
- To establish a research tradition that supports our post-graduates for pursuing research careers in premier universities and research institutes/organisations in India and abroad.

Master of Computer Applications (MCA)

The objective of the MCA Programme is to provide a modern, industry-oriented education in applied computer science. The Programme focuses on providing a strong theoretical background as well as a comprehensive practical exposure to students. Its design lays more emphasis on latest programming frameworks and tools for developing better and faster

applications. The aim of the Programme is to train students to meet the demands of professionals in a wide spectrum of application areas like education, research, software development, system analytics and design, web design, healthcare, banking, insurance, marketing and management etc.

B.Tech. (Computer Science and Engineering)

B.Tech. (Information Technology)

B.Tech. Computer Science & Engineering (Artificial Intelligence & Machine Learning)

The objectives of the B.Tech. Programmes in CSE and IT are to mould the graduating students into high quality technical force to take up jobs in the industries related to Computer Science and Engineering, Information Technology, Artificial Intelligence & Machine Learning and to prepare them to take up higher studies in institutions of national and international repute. The graduates in Computer Science/Information Technology will be able to establish themselves as dexterous professionals capable of solving real world problems by applying emerging technology, Artificial Intelligence & Machine Learning, innovative methods, communicating effectively and showing an individual confidence as well as a team spirit.

2. Department of Printing Technology

Programme(s) offered:

- (a) Ph.D.
- (b) M.Tech. (Printing Technology) (2-year, Semester System)
- (c) B.Tech. (Printing Technology) (4-year, Semester System)
- (d) B.Tech. (Packaging Technology) (4-year, Semester System)

The Department of Printing Technology is one of the premier departments in the field of Printing Technology which was established with a motive to impart high quality teaching & practical exposure to the prospective students. Printing Technology is a matured field, whereas Packaging Technology is relatively a new concept and it is growing at 15% per annum in India, it is also projected to grow even more in coming years. State of art facilities are created in the department to provide complete practical exposure to the students along with regular summer Industrial trainings, industrial visits, live project work, seminar, workshops, conferences and expert lectures are conducted at a regular interval of time. Placement of the students is one of the major plus point of the Department and continuous efforts are carried out so that each student gets proper care and attention during the study tenure and even after completion of the programme also.

It's not a dictum that the world of Packaging is expanding day-by-day. In packaging industry sector, the lack of trained manpower is one of the biggest concerns. The Department of Printing Technology has revived B.Tech. programme in Packaging Technology from 2016-17 session. The students will get acquainted with the theory aspects as well as with the practical & routine problems related with Packaging field.

3. Department of Electronics & Communication Engineering

Programme(s) offered:

- (a) Ph.D.
- (b) M.Tech. (Electronics & Communication Engineering) (2-year, Semester System)
- (c) B.Tech. (Electronics & Communication Engineering) (4-year, Semester System)

M.Tech. (Electronics & Communication Engineering)

In today's global economic environment, engineers are required to play a vital role in bringing the prosperity to the nation. In this era of global village, the convergence of Electronics and Communication Technology is opening endless and exciting possibilities in almost every sphere of human activity. The wireless mobile phone along with High Speed Internet has brought the world of information into a small pocket. Further, VLSI technology has miniaturized the world and empowered the human beings with latest technology at the most competitive prices.

The M.Tech programme in Electronics & Communication will cater the growing demands of technocrats in industry not only locally but also globally. There is huge potential for PG students in getting placements and to grow themselves in the diverse field of Electronics & Communication which includes Microelectronics, VLSI design, Wireless & Optical Communication, Advanced Digital Signal Processing, Embedded Systems, etc.

B.Tech. (Electronics and Communication Engineering)

The importance of Electronics & Communication Engineering has already been recognized by the entire world. It has revolutionized the life of human beings. There is no other field of knowledge, which has affected our life so much as Electronics, in such a short period of time. It has created so many comforts, which nobody could have imagined till a few years ago. The rate of growth in the field of electronics and communication engineering has been unprecedented and likely to grow more & more. Being an evergreen field, this has great potential to create technocrats to cater not only locally but globally.

4. Department of Electrical Engineering

Programme offered:

- (a) Ph.D.
- (b) B.Tech. (Electrical Engineering) (4-year, Semester System)

B.Tech. (Electrical Engineering)

Electrical Engineering is a broad field that encompasses many sub-fields those deal with electrical power generation, transmission & distribution, automatic control, renewable energy, electrical vehicles, artificial intelligence, internet of things, smart grid and distributed generation. The world is moving towards the era of Smart Grid and alternative sources of energy such as hydel, solar and wind power leading to exceptional growth in the field of Electrical Engineering. It is an evergreen field and has potential to create technocrats to cater needs at local and global level. The aim of the department is to evolve as the “Centre of Excellence” in technical education and research by preparing students competitive globally. The University provides very strong educational platform that not only prepares the students to become self-motivated, but dedicated and focused professionals as well.

5. Department of Mechanical Engineering

Programme(s) offered:

- (a) Ph.D.
- (b) M.Tech. (Mechanical Engineering) (2-year, Semester System)
- (c) B.Tech. (Mechanical Engineering) (4-year, Semester System)

The Mechanical Engineering Department seeks to combine excellence in education and research with service to society. The goal of our academic programme(s) in Mechanical Engineering is to provide students with a balance of intellectual and practical experiences that enable them to address a variety of societal needs. We seek to produce future leaders for industry, academia, government, and society- leaders whose vision is founded upon fundamental knowledge, analytical skills, creativity, perspective and ethics. The M.Tech. programme caters the need of various industries particularly aerospace, defence and scientific industries. With the introduction of this course, we can create the centre of excellence in the field of Mechanical Engineering. Students trained under this programme will be capable enough to take over the challenges related to the design and manufacturing of the sophisticated components required in aerospace, auto industry, defence etc.

6. Department of Civil Engineering

Programme offered:

B.Tech. (Civil Engineering) (4-year, Semester System)

The four-year B.Tech. programme in Civil Engineering assign with the design, construction, plan, management and maintenance of the Civil engineering system and natural environment built such as bridges, roads, canals, dams, and buildings. The department provides resourceful faculties which inculcates strong links with the infrastructural industry and academic research institutions both within and outside the country. Except from the various government departments, construction industry and eminent academicians are also invited for guest lectures on current technical development in the civil engineering field for student interaction. Department offers well equipped labs to facilitate practical knowledge, skills and using up-to-date techniques among students. Programme offers benefits to the students of providing them professional, legal, ethical, social issues and responsibility.

7. Department of Emerging Technology

Programme offered:

- (a) B.Tech. (Electronics and Biomedical Engineering) (4-year, Semester System)
- (b) Integrated B.Sc. (Hons./Hons. with research)-M.Sc. Medical Imaging Technology (5 years, semester system)

Department of Emerging Technology is started with the focus on specialized course in emerging areas like Internet of Things (IoT), Artificial Intelligence (AI), Cyber Security (CS) and other future technologies. Initially department has started B.Tech. in Electronics and Biomedical Engineering from the session 2021-22 with an intake of 30 seats. The aim of the Department is to equip students and research scholars with the skills to develop new technologies like IoT, Artificial Intelligence, Machine Learning, Robotics and Automation, MEMS and Virtual Instrumentation and to promote global health through education & research that bridges gap between medicine and engineering. The Department intends to provide best professionals in field of Electronics and Biomedical Engineering health services by training the coming generation with cultivation of leadership abilities and nurturing the integration of Science, Engineering and Health Care.

B.Tech. (Electronics and Biomedical Engineering) (4-year, Semester System)

B.Tech. in Electronics and Biomedical Engineering with Specialization in Internet of Things (IoT) is an interdisciplinary programme that combines Electronics Engineering and Biomedical Engineering to solve medical problems in living systems. The programme was aimed with an objective to enable the students to acquire technical skills for becoming expert in the field of electronics, circuit, embedded system, biomedical instrumentation, biomedical and biomechanism with the applications of latest emerging technologies. The strong collaborative connection with academic, industry & clinical research offers a prospective environment for professional development & experience in the related field.

Integrated B.Sc. (Hons. /Hons. with Research) M.Sc. Medical Imaging Technology (4+1 Years, Semester System)

Integrated BSc. (Hons. /Hons. with Research) MSc. Medical Imaging Technology programme is designed as per NEP 2020. This course deals with the process of creating images of human body parts to diagnose and examine the disease of the patient. It is one of the best courses in the medical field for students who want to make their careers in the national and international healthcare industry. The teaching methodology is through classroom lectures, practical classes, hands-on training, and laboratory work. This course deals with the study of advanced imaging (MRI and CT) and how health care management works. It also includes different medical imaging technology courses like radio imaging technologist, ultrasound technologist which is also known as ultrasound technician course, nuclear therapy, MRI technologist, dialysis technologist, etc. related to scanning and diagnosing the disease in the human body comes under imaging technology.

8 Department of Data Science

Programme offered:

- (a) **M.Sc. Computer Science (Artificial Intelligence and Data Science)**
- (b) **B.Sc. (Hons./Hons. with Research) Computer Science (Artificial Intelligence and Data Science) (4 years, Semester System)**

The University has started B.Sc. (Hons./Hons. with Research) Computer Science (Artificial

Intelligence and Data Science) from the session 2023-24 as per National Education Policy 2020. Artificial Intelligence and Data Science is a rapidly growing academic discipline fueled by the proliferation of rich and complex data emerging from activities in science, industry and governments. As a result, there is very high demand for data science professionals across the nation and globe and this market is expected to continue to grow in the next decade. The courses in the data science program are designed to provide students with the requisite background and knowledge that would enable them to take jobs with significant data science components like establishing and operating data analysis pipelines.

3.2 FACULTY OF ENVIRONMENTAL AND BIO SCIENCES & TECHNOLOGY

1. Department of Environmental Science & Engineering

Programme(s) offered:

- (a) Ph.D.
- (b) M.Tech. (Environmental Science & Engineering) (2-year, Semester System)
- (c) M.Tech. (Geo-Informatics) (2-year, Semester System)
- (d) M.Sc. (Environmental Sciences) (2-year, Semester System)

M.Sc. (Zoology) (2-year, Semester System)

(Department of Environmental Science & Engineering is Mentor Department)

Establishment of the Department of Environmental Science and Engineering is in line with one of the objectives of the university enshrined in its preamble to facilitate and promote studies and research in the field of Environmental Studies and Non-Conventional Energy sources. The department has innovative, dynamic and flexible course curricula in which students have choice to select the courses of their interest and undertake research projects. We strive to fulfill our vision, "Pursuance for excellence to achieve sustainable development", our mission "To impart training for capacity building to tackle various environmental challenges in an eco-friendly manner", and our objectives "To offer professional and job oriented course curricula to strengthen R&D activities and to offer consultancy and extension activities to stake holders". The faculty members are engaged in research in the frontier areas of science and technology. There are a number of R & D projects supported by various government agencies being implemented in the department. The laboratories are equipped with "State-of-the-Art" facilities. Students are provided with enabling ambience that promotes culture, sports, societal contributions, art, self-governance and human values. After successful completion of Phase-II, the department has again been inducted in the Technical Education Quality Improvement Programme-III (TEQIP-III) of the World Bank and Special Assistance Programme-III (SAP-III) of the University Grants Commission (UGC), New Delhi. The department has received FIST Grant from DST for infrastructure development.

M.Tech. (Environmental Science & Engineering)

The programme has been approved by AICTE and accredited by NBA. The programme has been inducted under Technical Education Quality Improvement Programme-III (TEQIP-III) of the World Bank and provides enormous opportunities to the students for achieving technical and practical excellence through academic networking with reputed institutes, regular workshops, seminars, industry visits and collaborative research. This programme has specially been designed with an integrated approach involving the latest advances in Physical and Biological Sciences, Engineering to deal with environmental problems and their remediation. The student after completing M.Tech. have carrier option in University and Engineering colleges, Industry, Environmental Consultancy Firms, Pollution Control Board, Centre and State Govt. Department, Environment, Health and Safety office, Environment Auditing etc.

M. Tech. (Geo-Informatics)

The fast emerging technologies of Remote Sensing (RS), Geographic Information System (GIS), Global Positioning System (GPS) and Information and Communication Technologies (ICT) have converged into a discipline with its own research base known as Geo-Informatics. The technology helps in acquiring information about the earth and its resources in spatial format and help in analyzing large datasets. To cater to the fast-increasing demand for the trained manpower in the field of Geo-Informatics, both for public and private sectors, the Department of Environmental Science & Engineering has started a two years M.Tech. programme in Geo-Informatics in collaboration with Haryana Space Application Centre (HARSAC), Department of Science & Technology, Government of Haryana, Panchkula. Under this programme, GJUS&T, Hisar makes admissions, conducts examinations and awards degrees. Top 5 (Five) students in each semester of M.Tech. (Geo-Informatics) is provided the HARSAC merit-cum-means Scholarships of Rs. 5000/- per month (Rupees Five Thousand only) subject to grant received from HARSAC. The Guidelines of above scholarship is available on university website.

M.Sc. (Environmental Sciences)

The two years M.Sc. programme in Environmental Sciences is aimed at building a strong theoretical base in every aspect of environment, providing intensive practical training on modern instrumentation and analytical techniques and developing problem-solving and research skill in the students. The programme is designed in such a way that the students get in-depth knowledge of scientific, technical, economic, legal as well as social aspects of environment. Short term in-plant training and practical exposure equip them well to take up challenging jobs in the field as well as industry besides academic and research organizations. Regular seminars, workshops, extension lectures, quiz, industry visits, educational tours, competitions and awareness campaigns expand the horizon of knowledge and skill of the students. The students after completing the course have career options in industry, Pollution Control Boards, National and State Govt. Departments concerned with Forestry, Wild Life, Atmospheric and Oceanic Sciences, Remote Sensing & GIS and Environmental auditing besides academics research.

M.Sc. (Zoology) (2-year, Semester System) (Department of Environmental Science & Engineering is Mentor Department)

The University has started M.Sc. Zoology from the academic session 2023-24 with Department of Environmental Science & Engineering as the Mentor Department. M. Sc. Zoology like any other PG programme, is a two-year programme which focuses on the various aspects of animal science. After the completion of the course, the students may get careers option in different fields like teaching, research, media sector, scientific writer, nutritionist, environmental consultant and jobs in different conservation agencies. The scheme and syllabi of the programme will be designed according to NEP-2020.

2. Department of Bio & Nano Technology

Programmes offered:

- (a) Integrated B.Sc. (Life Science) - M.Sc. Biotechnology/Microbiology/Botany/Zoology (5 years, Semester System)
- (b) M.Sc. (Biotechnology) (2 years, Semester System)
- (c) M.Sc. (Microbiology) (2 years, Semester System)
- (d) M.Tech. (Nano Science & Technology) (Zero session for 2023-24)
- (e) Ph.D.
M.Sc. Botany (2 years, Semester System) as per NEP-2020
(Department of Bio & Nano Technology is Mentor Department)

The Department aims to generate trained manpower in the areas of Biotechnology, Microbiology and Nano Science & Technology and attempts to integrate research and teaching to harness maximum potential. The department has emerged as a centre of excellence in imparting quality teaching and training at post-graduate level and propagating research activities in diverse fields of this important science. Such programmes will not only equip the students with sound knowledge and expertise but will also create avenues for research and job opportunities in future and for self-employment. The department is equipped with ultra-modern equipment with state-of-the-art laboratory facilities and has dedicated faculty engaged in the genetic improvement of industrially, agriculturally and medicinally important plants and microbes through advanced techniques in biotechnology as well as genetic studies on domestic animals. Development of nano sensors and synthesis, application and toxicological studies of nano materials is being rigorously pursued. Department has been supported under SAP/DRS-II Program from UGC, New Delhi, FIST-II from DST, New Delhi, TEQIP-World Bank Assisted Project, DST Nanomission grant and DBT PG Teaching grant and has excellent Bioinformatics facility.

M.Sc. (Biotechnology) (2 years, Semester System)

The M.Sc. (Biotechnology) programme is supported by the Department of Biotechnology, Ministry of Science and Technology, Govt. of India, New Delhi. Students have to undergo a 14 to 16 weeks of Investigation Problem during the 4th semester which forms an integral part of the programme, major thrust being on research areas pertinent to plant biotechnology, animal biotechnology, microbial biotechnology and nano biotechnology. Each of the enrolled students under DBT sponsored seat is eligible for monthly stipend as per DBT guidelines. The M.Sc. (Microbiology) programme is offered for imparting quality education for commercial exploitation of microorganisms for the production of value-added products and services. The M.Tech. (Nano Science & Technology) programme is specially designed to impart quality teaching and consultative research in Nano Science & Technology.

Integrated B.Sc. (Life Science) - M.Sc. Biotechnology/Microbiology/Botany/Zoology (5 years, Semester System)

The Department has started Integrated degree programme of B.Sc. - M.Sc. Biotechnology/Microbiology/Botany/Zoology from the session 2023-24 as per National Education Policy 2020 with an aim to nurture budding scientific talent towards pursuit of biotechnology/Microbiology/Botany/Zoology. It is a flexible and integrated program of study which promotes student to be specialized in Biotechnology/Microbiology/Botany/Zoology. Apart from the basic and advanced courses in natural/biological sciences, the curriculum enables the student to undertake a Summer Internship of 4 weeks. This unique course blends the best of basic and

applied biological sciences to create professionals who are equally comfortable with both science and technology.

M.Sc. Botany (2 years, Semester System) as per NEP-2020 (Department of Bio & Nano Technology is Mentor Department)

The Department of Bio & Nano Technology has introduced Master of Science (M. Sc) in Botany with effect from 2023-24. MSc Botany course is best suited for the students who have completed their graduation in botany or integrated biology (biological sciences), and are looking to pursue a course that will have an adequate mix of mainstream biology along with genetics and biotechnology. During this course, a candidate is given a complete idea about the entire plant kingdom and plant physiology, along with some additional topics related to genetics and biotechnology, cell biology, microbiology, and ecology.

3. Department of Food Technology

Programmes offered:

- (a) Ph.D.
- (b) M.Sc. (Food Technology) (2 years, Semester System)
- (c) M.Tech. (Food Technology) (2 years, Semester System)
- (d) B.Tech. (Food Technology) (4 years, Semester System)
- (e) B.Voc. (Food Processing & Engineering) (3 years, Semester System)

M.Tech. (Food Technology)

There is a vast opportunity ahead in food processing sector in the country. To meet the growing demands of food processing industry for technical personnel the Department has started M.Tech. Food Engineering programme from the academic session 2007-08 and the nomenclature of the said programme has been changed to M.Tech. (Food Technology). The objective of this programme is to train the best talents of the nation in order to provide a support base for the country's food safety and security. The syllabus is so framed as to enable the students to comprehend the whole gamut of the fast changing food science scenario of the world.

M.Sc. (Food Technology)

The Department offers M.Sc. Food Technology programme to support the growing demand of food industries for qualified human resources. A background in the science is a prerequisite to seek admission to the post-graduate programme. During the programme, the students learn about the different aspects of food in the field of food engineering, food packaging, cereals, pulses, oilseeds technology, fruit & vegetable technology, animal product technology, food biochemistry, nutritional evaluation, microbiology, quality control & safety. In-plant training of about 6 weeks is an integral part of the course curriculum. During training, the students are exposed to real business environment by making them proficient in communication, computer & managerial skills.

B.Tech. (Food Technology)

B.Tech. (Food Technology) programme offers a unique education that blends engineering analysis with knowledge of food material characteristics for the design and development of processes and equipment to produce safe, nutritious, and wholesome foods. Food Technology is a multidisciplinary programme which combines science, microbiology, and engineering education to prepare students for exciting careers in food and related industries. Food Technologists are involved in production of value-added food products and in the research and development of new products and processes. The B.Tech Food Technology programme is designed to train the

students to cater to the need of food industry sector. The students trained under this programme will be competent to manage effectively and efficiently any challenge linked to design, development and manufacturing of processes and equipment related to production of safe, delicious & nutritious food.

B.Voc (Food Processing & Engineering)

Bachelor of Vocation programme i.e., B.Voc. (Food Processing & Engineering) programme offers skill-based education to cater to the needs of food industries. The students will be skilled for various sectors of food processing industry with special emphasis on milling, baking, post-harvest processing of horticulture products, design & development of new products food safety and management. The students will be acquainted with management skills, data analysis & entrepreneurship. The hands-on training, industrial visits & trainings are the essential components of this programme. The National Skill Qualification Framework (NSQF) levels for the course offered shall be as follows: -

Name of Course	NSQF Level Certificate
Certificate	Level-4
Diploma	Level-5
Advanced Diploma	Level-6
B.Voc. Degree	Level-7

3.3 FACULTY OF PHYSICAL SCIENCES & TECHNOLOGY

1. Department of Chemistry

The Department of Chemistry is the oldest Department of University, established in 1994 with M.Sc. and Ph.D. programmes. The Department had started a Dual degree B.Sc. (Hons.) Chemistry - M.Sc. Chemistry programme from the session 2016-17 and has changed the nomenclature to integrated B.Sc. (Hons/Hons. with Research) – M.Sc. Chemistry programme (5 years, semester system) with effect from the academic session 2023-24 as per National Education Policy 2020. The Department is devoted to academics and research in subject areas like organic synthesis, organometallics, heterocyclic chemistry, catalysis, polymer chemistry, flame retardancy, medicinal chemistry, etc. The laboratories of the Department and Central Instrumentation Laboratory (CIL) are well equipped with modern and sophisticated equipments like NMR, LC-MS/MS, UHPLC, GC, UV, AAS, FTIR, UV-VIS-NIR, DSC, MPAES, FESEM with EDX, etc. to provide exposure and first-hand working experience to the students. The M.Sc. programme is of two years duration which is divided into four semesters and Integrated B.Sc. (Hons./Hons. with research) – M.Sc. Chemistry is of five years duration. Apart from the course curriculum, annual science quiz, extension lecturers, industrial visit, workshop and interaction with industry people are other important activities of the department. More than 400 students of this Department have so far cleared the NET/JRF/GATE examination and faculty members of the department have published more than 400 research papers in good impact journals of repute during the last 5 years. The alumni of this Department are serving in leading academic and research institutes as well as industries, e.g., IIT, BARC, CSIR, DRDO, IISER, AICTE, DST, Universities, Engineering and Degree Colleges, Huntsman, ICI Paints, Sun Pharma, etc. in India as well as abroad and some are having their own establishment. The Department has successfully completed FIST (Level 1) programme of DST, New Delhi.

Programmes offered:

- (a) Integrated B.Sc. (Hons./Hons. with Research) - M.Sc. Chemistry (5 years, Semester System)
- (b) M.Sc. (Chemistry) (2 years, Semester System)
- (c) Ph.D.

M.Sc. (Chemistry) (2 years, Semester System)

The M.Sc. Chemistry Programme has been designed with the aim of fulfilling the demands of trained human resources to give thrust to the ever-increasing chemical industry and related fields. The Department has adopted the UGC Model Curriculum with LOCF for this course, to enable its students to be engrossed in various institutions in the country and abroad. The Department offers three Specializations in M.Sc. programme i.e., Inorganic, Organic and Physical Chemistry. The group discussion, seminar, project work etc. are integral components of this programme to enhance understanding of the subject in depth to tackle problems independently and to adapt them to accept the new challenges in the thrust area in the present scenario. Successful students become professionally skilled and capable of being absorbed in academics, R&D, chemical industry, research institutions etc.

Integrated B.Sc. (Hons./Hons. with Research) - M.Sc. Chemistry (5 years, Semester System)

The Department had started a Dual degree B.Sc. (Hons.) Chemistry - M.Sc. Chemistry programme from the session 2016-17 and has changed the nomenclature to integrated B.Sc. (Hons/Hons. with Research) – M.Sc. Chemistry programme (5 years, semester system) as per National Education Policy 2020 to attract meritorious and talented young bright candidates for furthering in chemical sciences and to inculcate the culture of research and development. The scheme and syllabi of the UG programme is designed with an aim to produce a skilled manpower for conducting high impact research in the academic & industrial organizations including national research laboratories. Students passing out this five-year programme are expected to serve as scientists at national research laboratories and other institutes of importance including industries. The key feature of this programme is that the courses are taught on Choice Based Credit System as per UGC Model Curriculum and three specializations are offered in Inorganic, Organic and Physical Chemistry in 5th year.

2 Department of Mathematics

Programmes offered:

- (a) Ph.D.
- (b) M.Sc.(Mathematics) (2 years, Semester System)
- (c) Integrated B.Sc. (Hons./Hons. with Research) - M.Sc. (Mathematics) (5 years, Semester System)

Mathematics is a pioneer subject which finds applications in all the fields of Science and Technology. The Department offers M.Sc. (Mathematics), Integrated B.Sc. (Hons./Hons. with Research) - M.Sc. Mathematics and Ph.D. programme(s). The Department is having a well-equipped Computing Lab with MATLAB software. On the research outcomes and academic progress, Department of Science & Technology (DST), Govt. of India has identified this department under DST-FIST Programme.

M.Sc. (Mathematics) (2 years, Semester System)

The courses taught in M.Sc. Programme include Algebra, Functional Analysis, Complex Analysis, Topology, Differential Equations, Mechanics, Measure & Integration Theory, Integral Equations, Differential Geometry, Discrete Mathematics, Mathematical Methods, Fluid Dynamics, Mechanics of Solids and Computer Programming etc. The students of this course have the opportunity of being absorbed in teaching and research programmes in Educational Institutions and also in R&D wings of Industrial Establishments.

Integrated B.Sc. (Hons./Hons. with Research) - M.Sc. Mathematics (5 years, Semester System)

The applications of Mathematics to all branches of science are well known and these have increased many-fold during the last few decades. Knowledge of Mathematics is, therefore, imperative for carrying out research and it forms a necessary input for industrial & technological development of the country. With an aim to attract young bright students and to inculcate the culture of research and development in the areas of Mathematical science, the Departments of Mathematics has started a Integrated B.Sc.(Hons./Hons. with Research) - M.Sc. Mathematics from the session 2023-24 as per National Education Policy 2020. This programme is designed to provide in-depth understanding of the subject with special focus of the applied aspects in the field. The students of this course have the opportunities of being absorbed in teaching & research programmes in educational institutions and also in R&D wings of Industrial Establishments. The key feature of this programme is that the courses are taught on Choice Based Credit System as per UGC Model Curriculum.

3 Department of Physics

Programme(s) offered:-

- (a) Integrated B.Sc. (Hons./Hons. with Research) - M.Sc. Physics (5 Years, Semester System)
- (b) M.Sc. (Physics) (2 Years, Semester System)
- (c) Ph.D.

In the present scenario when the students are gyrating towards professional job-oriented courses, the Department of Physics is working actively to attract young minds towards Physics that is research and career oriented. The department offers a dynamic mixture of pure and applied Physics with research orientation at UG and PG level. Established in 1996, with the aim to cater laser and optics industry; Master's program in Physics was started with thrust areas in Laser Technology, Fiber Optics & Optical Communications and Materials Science. At present the department is offering Integrated B.Sc. (Hons./Hons. with Research) - M.Sc. Physics (5 Years) as well as postgraduate M.Sc. (Physics) (2 Years) courses with specializations in Condensed Matter Physics, Photonics, Materials Science and Nuclear Physics. The syllabi are innovatively designed

and structured in a manner to provide basic knowledge in Physics and offer options of specialization. The group discussion, seminars and minor /major research projects are integral components of these courses to enhance depth knowledge of the subject. Most of the current fields are covered by dedicated and dynamic faculty, viz. Photonics, Optical communication, Laser physics, Non-linear optics, Physics of nano-materials, thin films, Glass and ceramics, Solar cell and renewable energy, Radiation physics, nuclear physics and Theoretical physics etc. Apart from course curriculum, the extension/special lectures, workshops, interaction with industry persons and academic visits of the students are other important activities of the department to strengthen students' knowledge. The dynamic and vibrant ambiance of the department is further enriched by round the year activities of Physics Association of the department. Presently housed in a new four storey building, the department has good infrastructure with well-furnished laboratories for undergraduate, post-graduate and Ph.D. students. The department has received major research grants under UGC-SAP, DST-FIST and DRDO schemes etc.

Integrated B.Sc. (Hons./Hons. with Research) - M.Sc. Physics Programme

The Department had started a Dual degree B.Sc. (Hons.) Physics - M.Sc. Physics programme from the session 2016-17 and has changed the nomenclature to integrated B.Sc. (Hons./Hons. with Research) – M.Sc. Physics programme (5 years, semester system) as per National Education Policy 2020 with effect from academic session 2023-24 to attract young bright students to inculcate the culture of research and development in the areas of physical sciences. The scheme and syllabi of the programme is designed with an aim to produce a skilled manpower for conducting high impact research in the academic & industrial organizations, including national research laboratories. Students passing out this 5 years programme are expected to serve as scientists at national research laboratories. The key feature of this programme is that the courses are taught on Choice Based Credit System as per the UGC module for CBCS system and specializations are offered in Materials Science, Photonics, Condensed Matter Physics and Nuclear Physics. One semester minor project is an essential component of curriculum for students. Optional one semester Major Project work has been introduced in this course to provide research platform to enter in various scientific laboratories. The programme has been designed as per UGC Learning Outcome Based Curriculum Framework.

M.Sc. (Physics)

The Department offers M.Sc. Physics programme which caters to the needs of application-oriented world. The programme comprises of Condensed Matter Physics, Materials Science and Laser Physics that forms a major tool for studying ceramics, polymers, ferrites, glass, biomolecules, nonlinear optical materials etc. Photonics and Optical Communication are also recurring themes of the present course. The course on computational physics enables the students for computer simulations in research. Optional courses on Physics of Nano-Materials, Spectroscopy, and Radiation Physics are being offered to the students so that they can pursue career in their preferred field of interest. Laboratories are equipped with the modern experimental set up. Optional one semester project work is included in the curriculum for M.Sc. Physics students. The courses are taught on Choice Based Credit System as per UGC Model Curriculum. The programme is under revision/designed as per UGC Learning Outcome Based Curriculum Framework.

3.4 FACULTY OF MEDICAL SCIENCES

1 Department of Physiotherapy

Programmes offered

- (a) Ph.D. (Physiotherapy)
- (b) Master of Physiotherapy
 - Master of Physiotherapy (Orthopedics)
 - Master of Physiotherapy (Sports)
 - Master of Physiotherapy (Neurology)
 - Master of Physiotherapy (Cardiothoracic & Pulmonary Disorders)
- (c) Bachelor of Physiotherapy
- (d) M.Sc. (Yoga Science & Therapy)
- (e) Post Graduate Diploma in Yoga Science & Therapy (PGDYST)

The Department of Physiotherapy is recognized by Haryana State Council for Physiotherapy, Panchkula since 2021. It is committed to provide quality education, training and professional consultation services in the field of physiotherapy. Physiotherapy being an integral part of healthcare system is a much sought-after profession and the demand of trained as well as specialized Physiotherapists has grown exponentially in recent years.

Bachelor of Physiotherapy (BPT) course is a four and half year regular and fulltime degree course. The four and half years include 4 academic years (annual scheme) for study and 6 months of compulsory rotatory internship. These regulations and curriculum of BPT course are implemented as per the guidelines of Haryana State Council for Physiotherapy (HSCP), Panchkula since 2021-22. The syllabus covers medical subjects like Anatomy, Physiology, General Medicine etc. as well as core Physiotherapy subjects like Physiotherapy in orthopedic conditions, Electrotherapy, Biomechanics and Kinesiology etc. Students undergo clinical training from Department O.P.D. and other multi-specialty hospitals from 2nd year onwards. Students are required to complete six months clinical internship after completion of four years course work. During the programme students are trained to assess, diagnose and administer necessary treatment and rehabilitation to the patients.

Bachelor of Physiotherapy (BPT)

Bachelor of Physiotherapy (BPT) course is a four and half years regular and fulltime degree course. The four and half years include for academic years (annual scheme) for study and 6 months of compulsory rotatory internship. These regulations and curriculum of BPT course are implemented as per the guidelines of Haryana State Council for Physiotherapy (HSCP), Panchkula since 2021-22. Students are required to complete six months clinical internship after completion of four years course work. During the programme students are trained to assess, diagnose and administer necessary treatment and rehabilitation to the patients.

Master of Physiotherapy (MPT)

Master of Physiotherapy (MPT) is a two year degree course under the Faculty of Medical Sciences. The Master of Physiotherapy offers an opportunity to experience practical learning and to gain the required skills to be an expert physiotherapist. Student gain enough experience enabling them to work independently in improving muscle strength, bone strength, recovery of body parts etc. Master of Physiotherapy offers a solution to joint-related issues and movement problems caused by a wide variety of nerve, muscle, and joint disorders. This is one of the emerging professions in 'Fit India' and will offer ample opportunity over the years. Students can choose from a variety of specialization fields such as sports Physiotherapy, neurological conditions, movement disorders, rehabilitation and recovery. Overall, the students will learn about the complete human body and the best practices to keep them fit and healthy. The department offers specialization in four disciplines- Orthopaedics, Neurology, Cardiothoracic and pulmonary disorder and Sport Physiotherapy. The Master of Physiotherapy course curriculum has been designed to give highly specialized training to the students in their respective fields of specialization along with clinical postings and dissertation work.

M.Sc. Yoga Science and Therapy

The Department of Physiotherapy is one of the pioneer institutions offering Yoga education in the state. M.Sc. Yoga Science and Therapy is a two postgraduate degree level program (four semesters). The Department offers post graduate degree and post graduate diploma programmes in Yoga Science and Therapy. Yoga has become a keyword for physical, mental, social and spiritual health in this modern era. While the entire world is appreciating the significance of Yoga, it is often equated only with the practices of Shatkarma, Asana, Pranayama, Bandha, Mudra, Meditation. While these are vital aspects of Yoga, it is important to know that Yoga is a profound system of philosophy, in which these aspects of Physical, Mental, Social and Spiritual well-being are grounded. In addition a Dissertation work and field training to build confidence in students are integral parts of M.Sc. Yoga Science and Therapy Program.

Post Graduate Diploma in Yoga Science and Therapy (PGDYST)

Post Graduate Diploma in Yoga Science and Therapy is a one year program (two semesters). The syllabus of these program cover Fundamentals of Yoga, Human Anatomy and Philosophy, Disease Management, Application of Yoga and Yoga therapy and Field Training to build confidence in students, so that after the completion of program they can serve the society as a Yoga professional in the field of Health, Therapy, Education, Research and Sports effectively. To achieve the above aims and objectives, the Yoga classes begin early in the morning so that the student can understand the real effect and importance of yoga practices.

2 Department of Pharmaceutical Sciences

Programme(s) Offered:

- (a) Ph.D.
- (b) M.Pharm. (Pharmaceutical Chemistry) (2-year, Semester system)
- (c) M.Pharm. (Pharmaceutics) (2-year, Semester system)
- (d) M.Pharm. (Pharmacology) (2-year, Semester system)
- (e) M.Pharm. (Pharmacognosy) (2-year, Semester system)
- (f) Bachelor of Pharmacy (4-year, Semester system)

The Department of Pharmaceutical Sciences is one of the pioneer institutions offering pharmacy education in the state. The department has remained among top 50 pharmacy institutes of India in NIRF ranking since 2017. The department offers graduate, post graduate and doctoral programmes in pharmacy. The Bachelor of Pharmacy and Master of Pharmacy programmes offered by the department are approved by the Pharmacy Council of India, and the All India Council of Technical Education. The department has well qualified faculty members with vast experience in teaching and research. The department has well equipped laboratories with the state of the art equipments. More than 100 research scholars have been awarded Doctorate of Philosophy in Pharmaceutical Sciences.

Master of Pharmacy

The Master of Pharmacy degree is a four semester programme. The Pharmacy Council of India prescribed curriculum is followed by the Department. The first two semesters, of the program are designed to orient the students towards research by offering the subjects of industrial and scientific importance and the students are required to study all the papers prescribed, while the last two semesters are devoted to research work. The department works towards promoting a multidisciplinary, team-based approach to drug delivery. The Pharmaceutical chemistry discipline is engaged in in silico drug design, synthesis (conventional, microwave, development of combinatorial solution phase synthetic techniques) and evaluation of novel candidate compounds with special reference to heterocyclic moieties and small peptides in the field of antimicrobial, anticancer, analgesic, antihistaminic, anticonvulsant, cardiovascular, anti-diabetic and other activities; molecular modelling, docking, QSAR studies using CADD and analytical and bio-analytical chemistry. The Pharmaceutics discipline focuses on nano medicine, transdermal drug delivery, ocular drug delivery, development of novel excipients from natural polymers. The research activities of pharmacology discipline include; general pharmacological screening of new bioactive molecules from synthetic and natural sources. Neuro pharmacological studies of bioactive molecules with special reference to cognitive functions; studies of bioactive molecules on experimentally induced diabetes, and its implications in animal models. The Pharmacognosy discipline is engaged in exploring natural resources for novel drug delivery systems through isolation and characterization of phytoconstituents and development of new herbal formulations and standardization of traditional drugs and polyherbal formulations.

Bachelor of Pharmacy

The Bachelor of Pharmacy degree is an eight semesters (Four year) program and the syllabus prescribed by PCI is followed with an aim to provide students with both theoretical and practical training, in order to produce human resources for pharmaceutical industry and health care system. The department imparts quality pharmacy education to the students and to produce competent and employable professionals to work effectively in academia, pharmaceutical industries and research centre and meet the growing global opportunities in Pharmaceutical and Health Care Sector. Ample employment opportunities exist in the fields of Drug industry, Research & Development, Drug control department, Academics, Marketing and sales, etc.

3.5 HARYANA SCHOOL OF BUSINESS

Programmes offered at HSB:

- (a) Ph.D.
- (b) Master of Business Administration (2-year, Semester System)
- (c) MBA Finance (2-year, Semester System)
- (d) MBA Marketing (2-year, Semester System)
- (e) MBA International Business (2-year, Semester System)
- (f) MBA Business Analytics (2-year, Semester System)
- (g) MBA Healthcare (2-year, Semester System) as per NEP-2020
- (h) M. Com. (2-year, Semester System)

Master of Business Administration

Master of Business Administration (MBA) is a two year (4-semester) programme. The students admitted in this programme are offered common courses in the first and second semester. They choose their areas of specialization in the beginning of the third semester. A student can opt for dual specialization in the area of marketing, finance, international business, information technology, business analytics, and production and operations management. The students of the programme can choose the major and minor areas of specialization. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is suitably equipped to prepare the students to pursue careers in managerial and executive positions in private and public sector organizations.

MBA Finance

MBA Finance is a two year (4-semester) programme with super-specialization in the area of finance. Student taking admission in MBA (Finance) is offered the core finance courses from the first semester itself along with the common management courses. The courses offered under the programme are designed with the purpose of creating specialists in the area of finance. Throughout the duration of the programme, students learn the basic and advanced practical as well as theoretical course contents specially related to the domain knowledge of finance. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is well designed to prepare the students to work in managerial and executive positions in private and public sector organizations.

MBA Marketing

MBA Marketing is a two year (4-semester) programme with super-specialization in the area of marketing. A student enrolled in the programme is sensitized to the core marketing courses from the first semester itself along with the common management courses. The courses offered under the programme are designed with the purpose of creating specialists in the area of marketing. The students learn the basic and advanced practical as well as theoretical course contents specially related to the domain knowledge of marketing. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is designed to impart the managerial and analytical skills expected by the business organizations from the prospective students.

MBA International Business

MBA (International Business) is a two year (4-semester) programme with super-specialization in the area of international business. A student enrolled in the programme is introduced to the core international business courses from the first semester itself along with the common management

courses. The courses offered under the programme are designed with the purpose of creating specialists in the area of international business. The students learn the practical as well as theoretical aspects specially related to the domain knowledge of international business. The students are required to undergo summer training internship at the end of second semester to get the practical work experience. The programme is well designed to impart the necessary skills expected from the students to work successfully in a highly turbulent business environment.

MBA Business Analytics

MBA Business Analytics is a two year (4-semester) programme with super-specialization in the area of Business Analytics. The Business Analysts (BAs) are responsible for bridging the gap between Information Technology and the business management using data analytics to assess processes, determine requirements and deliver data-driven recommendations and report to executives and stakeholders. Engage with business leaders and users to understand how data-driven changes to processes, products, services, software and hardware can improve efficiencies and add value for stakeholders. It not only articulates those ideas but also balances them against what is technologically feasible and, financially and functionally reasonable. Depending on the role, BAs might work with data sets to improve products, hardware, tools, software, services or processes. The students are required to undergo summer training internship at the end of second semester to get the practical work experience.

MBA Healthcare

The Programme is designed as per National Education Policy (NEP), the programme offers need-based exit options to the students, wherein a student who completes the first semester will be entitled for a Certificate in Healthcare Management, a student who completes the first year (First and Second Semesters) will be entitled for a Diploma in Healthcare Management, and a student who successfully completes four semesters will be awarded a Master Degree in MBA Healthcare.

Programme Objective:

The Programme Educational Objectives of the MBA HEALTHCARE Programme are:

1. To prepare responsible and ethical management professionals to be successfully employed in healthcare institutions/ organizations national and global levels, who will be able to apply the principles of business and management to evolve, develop and deploy best possible solutions for real world business and management problems related to healthcare services after assessing their economic, environmental, cultural and societal implications.
2. To groom the budding professionals for analyzing, evaluating and designing complex business and management solutions individually or in teams by doing a methodical and in-depth research and analysis in the related business and management problems in the domain of healthcare services, by using embryonic modern tools and by communicating effectively among the various stakeholders about due awareness of such business and management solutions.

Integrated B.Sc. (Hons./Hons. with research) – M.Sc. Geography (5 years, Semester System) (Department of Economics is Mentor Department)

This surrounding area of university has also been declared a Counter Magnet Area to national capital New Delhi by the Govt. of India. An Integrated Aviation Hub is also coming up in Hisar. However, somehow strangely, development of modern economic activities has been confined to Gurugram and its surrounding areas. Moreover, the efforts of the Government to bring development into the heartland of the state have not succeeded to the extent desired. The issue is complex and need multipronged approach and understanding. The applications of concepts of Geography can play a crucial part to bring about regionally more balanced development in this part as well as other parts of the country. Keeping this in view and also the demand of the students and different stockholders, starting a course of Geography on campus would be highly desirable.

2. Department of Applied Psychology

In recent years Psychology has emerged as one of the most important and leading discipline and is expanding its horizon rapidly. Master of Library and Information Science (2 years, Semester System) (Dr. Bhim Rao Ambedkar Library is Mentor Department)

At the outset, Library and Information Science is not confined to impart the education about the books only and its related activities. In fact, it is beyond this. It is well known that as and when the academic world faced any problem related to academic and research activities, Library

professionals played a significant role in addressing the issues like manuscripts publication, references and bibliography tools, management of e-resources and so many by putting their copious efforts. Most significant role of libraries can be seen during the unprecedented challenges like Covid-19 when libraries had become the bridge between classrooms and teachers. It won't be an exaggeration to say that Library Professionals are the information merchant. In the present era, technology has put forth so many challenges in front of the libraries and its professionals. It is the basic principle of the library to provide the right information to the right users in a minimum possible time by using the latest technology. As of now academic world is facing the problem of academic dishonesty because digital contents are available on web in abundance form. Therefore, copying of them is very easy which lead the issue of plagiarism. To overcome from this problem, academic societies are looking towards the library professions because they feel they are well equipped with tools and knowledge. Consequently, plagiarism policy is available.

Guru Jambheshwar University of Science & Technology, Hisar is offering the Master of Library and Information Science from the academic session 2023-24 under National Education Policy-2020. The prime objective is to provide the trained Library professionals to the Hisar region in particular and country in general. The technology penetrated every system and consequently plethora of information is misleading the end users. Therefore, to create the fool proof system, the trained professionals will play a significant role. The focus of the programme shall be to create trained Library & Information Professionals capable to evaluate the information sources and services to meet the challenges being faced by the Library & Information Centres. Moreover, after completing their degrees they would be more competent to face the new challenges which will emerge due to the latest technology and implement the technology according to the requirement. A student who successfully completes the first year shall be awarded a Bachelor of Library and Information Science and if the student continues for the next year and completes the programme successfully, she/he will be awarded a Master Degree in Library and Information Science.

3.8 FACULTY OF RELIGIOUS STUDIES

Guru Jambheshwar Ji Maharaj Institute of Religious Studies conducts research and comparative study of various religions Hinduism, Jainism, Buddhism, Christianity, Islam and Sikhism, Indian Culture with special reference to teachings of Guru Jambheshwar Ji Maharaj.

In India, religion is a way of life. It is an integral part of the entire Indian tradition. For the majority

of Indians; religion permeates every aspect of life from common-place daily chores to education. Secular India is home to Hinduism, Jainism, Buddhism, Christianity, Islam, Sikhism, Indian Culture and other innumerable religious traditions.

1. Hinduism- The underlying tenets of Hinduism cannot be easily defined. There is no unique philosophy that forms the basis of the faith of the majority of India's population. Hinduism is perhaps the only religious tradition that is so diversified in its theoretical premises and practical expressions as to be called a "museum of religions". This religion cannot be traced to a specific founder nor does it have a "holy book" as a basic scriptural guide. The Rig Veda, Upanishads and the Bhagwad Gita can all be described as the sacred texts of the Hindus.
2. Sikhism- The Sikh religion emerged during the early 16th century in the state of Punjab in North India. The founder of this faith was Guru Nanak, who from his childhood was attracted to both Hindu and Muslim saints. Born a Hindu, but also inspired by the teachings of Islam, he began to preach the message of unity of both religions. According to him, the basic teachings of both faiths were essentially the same. Nanak attracted many followers and came to be known as a Guru or a teacher. His disciples came together to form a new religious tradition called Sikhism.
3. Buddhism- Buddhism originated as an offshoot of Hinduism in India, but eventually it became popular all over Asia. The personality and teachings of Gautama Buddha, the founder of this faith, have illuminated the lives of millions of people in Japan, China and Southeast Asia. Buddhism is based on the principle of the law of impermanence.
4. Islam – The Arab traders brought Islam to India in the early 8th century, but it was not until the 12th century that it became a force to reckon with in the Indian sub-continent. Unlike Buddhism, Jainism and Sikhism which emerged as offshoots of Hinduism, the customs and religious practices of Islam were unique to this faith which professed universal brotherhood and submission to Allah-The God Almighty. The mystics of Islam, or the Sufi saints, helped in spreading the message of peace and universal love.
5. Jainism – Jainism as a religious tradition was established in India about the same time as Buddhism. Mahavira, one of the great conquerors, preached the Jain philosophy around the same time that Buddhism began. The Institute has also introduced a programme on doctor of Philosophy. The candidates having master Degree i.e. M.A. (Sanskrit/Hindi/Philosophy/Dharam/Religion/Ved/Ancient History) disciplines only be considered eligible to apply for Entrance Test and Registration in Ph. D. programme of Religious Studies.

- "A General candidate requires to have 50% marks, then as per Govt. instructions by giving 5% relaxation the minimum eligibility marks for a reserved category candidate should be calculated as under: -
- | | | |
|--------------------------------|---|------------------|
| Out of 100 marks needs to less | = | 5 |
| Out of 1 Marks needs to less | = | 5/100 |
| Out of 50 marks needs to less | = | 5/100 x50 = 2.50 |
- This way minimum less marks where general category candidates are required to have 50% in a prescribed qualification, the total required marks for a reserved candidate will be 50 – 2.50 = 47.50 and not 45."

- (ii) One seat in each UGC Programme (except AICTE programmes and Master of Physiotherapy) is allowed as Supernumerary seat for North-Eastern candidate/ ward of deceased of COVID-19 of Haryana.
- (iii) One supernumerary seat in each UGC programme (except AICTE programmes and Master of Physiotherapy) is allowed as supernumerary seat for the children (son/daughter) of permanent University employees (Teaching and Non-Teaching) of GJUS&T, Hisar
- (iv) One seat is allowed as Supernumerary seat for Kashmiri Migrants.
- (v) 15% seats in each programme are allowed as Supernumerary for Foreign Nationals.
- (vi) 30 seats in M.Sc. (Biotechnology) are DBT Supported and will be filled through Graduate Aptitude Test-Biotechnology (GAT-B) 2023.
- (vii) One supernumerary seat each in M.Sc. (Psychology), M.A. (Mass Communication) and M.Sc. (Economics) is allowed for Defence Persons in service.

NOTE-2:

- (i) Scholarship will be awarded to those students of M.Pharm. / M.Tech., who have Valid qualified GPAT/ GATE examination at the time of admission subject to receipt of the same from AICTE. The non-GPAT/Non-GATE students, if any, admitted in M.Pharm./ M.Tech. programmes on the basis of academic merit of qualifying examination/ Entrance Test, will not be eligible for scholarship.
- (ii) The distribution of seats is applicable programme-wise only.
- (iii) If the number of seats shown for SC and Deprived SC candidates, as per their quantum of reservation notified by the Haryana Government vide letter dated 04th June, 2020 are not equal in the seat matrix in a particular programme, then it will be inter-changed in next academic session 2024-25.
- (iv) Normally, if the number of calculated seats as per existing Reservation Policy of the State Government in a particular category is not in a round figure, its fractional part below 0.5 has been ignored and the fractional part 0.5 or above will be taken as one provided that total number of seats under all categories in a programme/ course / specialization will not exceed the sanctioned intake. However, the fraction below 0.5 has been given one seat and the fraction 0.5 and above has been given zero seat in some programmes to ensure that all categories have been got their representation on overall total number of seats. In case of M.Pharm. and Master of Physiotherapy where one seat is provided for “differently- abled person” on rotation basis, it cannot be applied, so total number of seats remains unchanged.
- (v) The Committee considered the clarification of Director, Higher Education Haryana vide Memo. No. KW/30/3-2019 Co(2) dated 07.06.20291 and 24.06.2019 in respect of reservation of Economically Weaker Section in Admissions that 10% reservation for Economical Weaker Section(EWS) will be 50% of the State Quota and will be 42.5% of the total intake (i.e. 50% of General Category out of 85% of Haryana domicile). The above said clarification was given by the Director Higher Education Haryana, Panchkula in reference to instructions issued vide letter No. vide No. 22/12/2019-1GS-III dated 25.02.2019 of Govt. of Haryana, General Administration Department. Accordingly, the committee calculated 10% seats for EWS out of remaining seats of Haryana Open General Category (HOGC).

NOTE-3:

Though, due care has been taken by the Committee while preparing the seat matrix of various programmes under different categories as per latest reservation policy of the State Government. Further, if any deficiency in seat matrix to be pointed out or any amendment or further clarification in reservation policy received from the State Government on later stage, the same may be rectified/ modified with the permission of the Vice-Chancellor.
